**Balloono** - Your goal is to defeat all monkeys (except your own, of course) with water balloons. Use the ARROW KEYS to move around the board and hit the SPACEBAR to drop a water balloon. And then, run away as fast as you can and/or hide behind a rock before it explodes. You want to trigger your water balloons to splash other monkeys (which are other players) and open up spaces on the board. Along the way, you can pick up a variety of power ups, such as Extra Balloon, Longer Splash, and Go Faster.
