Terms of Use

Disambiguation

The item: The plugin which was bought.
The user: A person or organization who purchased this item.
The vendor: The owner and distributor of this item.

TERMS OF USE

The User obtains a license to use the item on one website/database only. The Vendor commits to provide support and updates to the item for a reasonable period of time after the purchase.

NO REDISTRIBUTION

This is a commercial item, and the license you are purchasing doesn't allow you to redistribute it in any forms and methods, except explicitly permitted by the Vendor.

REFUND POLICY

Since the item is provided in the form of open, unencrypted source code, the User acknowledges that there can't be partial or full refunds after the User gets access to the item download. Refunds are provided in exceptional cases only if the plugin has caused damages on the users homepage (which is restricted to damage of the database or deleted files in the oxwall folder).

WARRANTIES AND RESPONSIBILITIES

This item is distributed with no warranty beyond explicitly stated in item description. The Vendor does not take responsibility for any direct or indirect damage caused by using this item in any way. The User acknowledges that maximum responsibility that the Vendor may have is the cost of the item that the User paid.
